- f) Thank you to Cindy Nitschmann for taking on activities. It was a good year for the club. We could really use some ideas to help put some fund raisers together during the next few months. Send suggestions to Cindy.
- g) Any new ride ideas are always welcome so we can start planning them now. Here's hoping for a great year of riding in 2020 and that the roads stay dry for us.
- h) It's time again for the annual New Year's Day ride. I am planning to go to Town and Country Diner again. Watch the web site and we will send out a blast. Figure on 10:30AM at the diner. Ride meet up at Lowes if the weather is decent; KSU at 10:10AM. We will shoot the back way in. Let's hope the weather and roads are on our side this year.
- i) Audit will, hopefully, take place in February for 2018 and 2019. Fran Horan, Charity Felix and Cindy Nitschmann.
- j) Thank you to all the Road Captains for their time, energy and efforts in making sure we had somewhere to ride this year. Whether it was a short ride or a multiple day ride, all your efforts are greatly appreciated.
